COMMENTS FROM THE PUBLIC

There were no comments from the public as there was no public in attendance.

OLD BUSINESS

Member Spannuth reported she had taken a walk to the new park and thought the park was going to be very nice. Questions was asked if a sign had been placed there yet to which Sheila reported at the main entrance there would be a sign up the drive and most likely not by the entrance. The entrance in the wooded area has a sign off of Weavertown Road. Discussion followed regarding how they might deal with the boundaries for the park as far as neighboring properties. Sheila mentioned that the larger area with no homes is posted in many locations.

Park Update

Sheila reported that she had received a call from Mrs. Sherpa who has another son who would like to participate in a project for scouts involving continuing the trail her other son had worked on.

Sheila explained that she had contacted the correctional industries who Beth from DCNR referred her to for a sign which is required explaining from what agency they received the grant. She mentioned she has been corresponding with a person from the correctional industries to get the sign made. A cost of \$60 was quoted.

Sheila explained she also had a request from another Boy Scout who would like to do a project.

Sheila reported that she has not yet received a Hazmat report from the green paint issue.

NEW BUSINESS

Sheila explained she wanted to inform the Parks and Recreation Board that the Township has received funding for the expansion of the yard waste facility. The expansion will include the ball field behind the existing yard waste facility. She reported that Supervisor Brensinger had contacted Mr. Martin who is involved with Union Canal baseball regarding the grant and the field elimination. Discussion followed regarding the field.

MOTION: Motion was made and seconded to adjourn. Motion carried.

With there being no more business brought before the Parks and Recreation Board the meeting was adjourned at 7:20 P.M.

Respectfully submitted,
